2. Articles may only be entered under the name of the owner or producer of the article. All entries

must be made on the form provided by the respective departments.

Articles must not be soiled, damaged, or otherwise unsuitable for exhibiting. Purchased articles are not eligible for exhibit. Entries must be made within the last three years, except canned foods which must be completed within the last year. Any attempt at misrepresentation will bar the exhibit from competition and premiums. Entries that are unsuitable, entered falsely, or of unsavory nature for public exposure, will not be exhibited. Home Arts Director may also add categories for popular items that may not be noted in this book. The Fair Board will not be responsible for storing containers, boxes, hangers, etc. that accompany exhibits at registration.

3. Only one entry per exhibitor per numbered category is allowed. Previous entries in the fair cannot be exhibited again.

4. The report of the judges will be sent to the department head as soon as possible after the judging. All decisions made by the judges are final.

5. There will be no admission charges to the Fair site at the Fairgrounds. However, admission will be charged to some of the special events taking place during the course of the Fair. Check the schedule of events for times, places, and admission fees, if applicable.

6. Parking will be free during the Fair. County and Fair laws and rules apply.

7. Food concessionaires must comply with State, County, and City food and health requirements. Concessions will be placed at all events unless stated.

9. In the event of a conflict between General Rules and Special Rules governing the various

departments' operations, the Special Rules will take precedence.

10. The Fair Board reserves the final and absolute right to interpret the rules and regulations and arbitrarily settle and determine all matters, questions, and differences in regard thereto. The Fair Board reserves the right to amend or add to the rules and regulations in the best interest of the Fair as it is deemed necessary.

11. In no case shall the Tooele County Fair Board or any of its officers be held responsible for any loss, damage, injury, death, or disability to property or to any person coming upon said Fair sites. However, each department will practice good judgment in the care and management of exhibits and the Board will make arrangements for security by dependable and responsible people.

12. All perishable items including food, cut flowers, fruits and vegetables will be disposed of immediately after the Fair closes on Saturday night.

JUDGING: No judge will be allowed to exhibit in the class which he is judging. Judges must avoid contact with exhibitors and will refuse to hear the merits or demerits of exhibits being judged. Objection to any person serving as judge must be made in handwriting prior to any award being made, giving good and sufficient reason therefore. A protest against a judge on the grounds of incompetency or previous bias must be made to the Fair Chairman. A protest against an award must be made in writing before the close of the day following the making of the award stating the exact reason for the same and must be accompanied by an affidavit and deposit of \$25.00. In the case the protest is not sustained, the deposit shall be forfeited to the Fair. The Chairman will notify the exhibitor of the protested article of such protest, and both parties shall then have ten (10) days to produce sworn testimony in the case. No payment will be made on the protested awards until final action is taken by the Fair Board.

NOTE: Judging will be done on an individual basis and not competitively. Judges are brought to this fair

from another county and are in no way able to determine the identity of the exhibitor. For information call 435-840-0155
