## THE DONNER PARTY

**4:00-5:00 p.m.**

The Donner Party is an eclectic group of friends from Grantsville who decided to form a band. After cutting their album Museum and buying an old school bus they spent a few years traveling the west playing shows before settling down to raise their families. Sometimes described as “folk and roll with bluegrass drizzled on top” they put on a high energy show that will make you shake your booty, or at least cause an uncontrollable tapping of your feet.
