Bring your creativity! You will have 30 minutes to create a fashion work of art using trash bags, disposable table cloths and a few other recycled items we will provide. Tape and safety pins available. Garment must be modelled so pick a team member you will design on so they can strut their stuff.

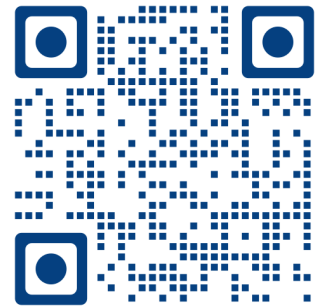

This year's county fair theme is "Old Fashioned Fun". With this in mind, each team will pick a decade to focus on when they design the outfit. Think retro 80s or vintage 40s...

Register by scanning QR code by Thurs Aug 1.
