TOOELE COUNTY

4-H EXHIBITS

GENERAL RULES

The following rules and regulations shall apply to all sections:

1. Should general rules and special 4-H rules conflict, the latter will govern.
2. To exhibit as a 4-H member, you must have been enrolled as a 4-H member for the current 2023-2024 year by July 27, 2023. 4-H enrollment information and instructions can be found at www.tooele4h.org.
3. 4-H members must be enrolled in the project area in which they enter exhibits by July 25, 2024.
4. Clover Buds, those who are 5 to 8 years of age and were in Kindergarten through 2nd grade as of September 1, 2023, may enter their exhibits at the Tooele County Fair. They will receive an exclusive "Clover Bud" ribbon and premium per project, up to 10 entries.
5. 4-H Members must register their fair exhibits on-line or through their 4-H leader beginning July 10th through July 29th. See **4-H EXHIBIT REGISTRATION** for instructions. If you have not registered your entries on-line before arriving at the fair, you will be expected to register them yourself at Deseret Peak Complex during entry intake but computer access will be limited.

4-H EXHIBIT REGISTRATION

1. 4-H indoor exhibits must be registered through our on-line fair registration program: ez-fair.com. Please refer to the July 2024 4-H newsletter for a more detailed description of how to register your 4-H projects in ez-fair.com. (Note that there is a noticeable change in the fairbook vocabulary regarding exhibits. We are now using **Department | Division | Class** instead of the Division | Class | Lot we've used previously.) If you need help with the entry process, please call 435-277-2405. The fair on-line registration will be available July 10 – 29, 2024.
2. The on-line registration will create a 4-H Exhibitor Tag for each exhibit. The 4-H office will print the tags on cardstock for you. They will be available at Deseret Peak for you to attach to your project when you arrive to enter it into the fair. Projects with multiple pieces must have a tag for each piece. For example, a 3-piece outfit would need 3 tags; the tags should be numbered 1 of 3, 2 of 3 and 3 of 3. This shows that the entry has 3 pieces and that all 3 should be judged as 1 entry. Attach the tag securely to each piece of every exhibit.
 - Please include a good description of the entry, including color. This will help us find the item if the tag is lost. A "title" is not helpful in locating your entry should it be misplaced.
 - Specific information is also required on some exhibits in Quilting, Home Environment, Child Care and Food Preservation. The required information is listed under each division in the categories.
 - Please indicate if the item was made from a kit.
 - Exhibits should not be school homework. If **part** of the entry was done in school, please attach a note explaining what additional things the 4-H member did to make it into a 4-H project.

3. 4-H members will be allowed to enter more than one division, but no more than two individual exhibits per class within the division. If a division does not list classes, it is considered to only have one class.
4. The following are requirements and information for exhibits:
 - Posters must be 22" X 33" or smaller.
 - Notebook binders must be 2 inches or smaller.
 - Displays must be 4' X 4' or smaller and be free-standing.
 - Collection boxes must be 325 square inches for bottom measurement or smaller and glass covers must open at the top or side of the box; the glass must be secured so that glass will not move when the box is properly displayed at the fair.
 - Exhibits must have a completed exhibit card attached securely to it. Exhibits with more than one part must have an exhibit card attached to each part numbered 1 of 3, 2 of 3, 3 of 3, etc.
 - Frozen food products are not acceptable. Food items need to be of a quality to keep at least a week without refrigeration. Do not send food items which will spoil quickly. Bread exhibits may be made by a traditional method or with a bread machine.
 - Exhibits which are normally hung on the wall must provide some means for attachment to the wall (paintings, framed items, woodworking, wall-hangings, and articles using artificial or dried flowers).
 - Exhibits must be well made so they are stable enough to be moved. You may want to include a base to support your item so it is more easily moved. (for example: Lego projects or collections)
 - Baked products and gardening exhibits will not be returned unless you specifically request it when dropping off the project at registration.
 - 4-H will not provide plates for food or garden entries. Please provide your own; disposable is preferred. After judging, entries may be moved to a colored plate to more easily indicate the ribbon awarded.
 - Items to be returned (hangers, pie pans, cake stands, etc.) must be clearly marked with name of the exhibitor and a phone number.
 - Please indicate if the item was made from a kit.
5. Please bring all indoor 4-H exhibits, including food, floriculture, crops and garden produce, to Deseret Peak Complex on Monday, July 29th, between 1:00 and 7:00 p.m. for judging the next day.
*If you have not previously registered your exhibits on-line, you may do it at this time. However, this will require time and computer access is limited. No exhibits will be accepted after 7 pm on Monday, July 29th.
6. The following judging and award guidelines will be used:
 - All entries will be judged.
 - Entries deemed to be of excellent quality will be recognized as such and receive a High Blue rosette; more than one entry per class may receive the High Blue award.

- Entries deemed to be of superior quality will be recognized as such and receive a Best of Show purple rosette.
 - All 4-H exhibits awarded a rosette, purple or high blue, are selected to be entered in the Utah State Fair.
 - Entries will receive the following premiums:
 - Best of Show Purple Rosette - \$5.00
 - High Blue Rosette - \$4.00
 - Blue ribbon - \$3.00
 - Red ribbon - \$2.00
 - Cloverbud ribbon - \$1.00 (up to 10 entries)
7. All exhibits must be picked up at Deseret Peak between 8:30 am and noon on Monday, August 5, 2024. If you are unable to pick up your exhibits during this time, please let the 4-H office know, in advance, if someone else will pick them up for you. At 12 pm on August 5, all remaining entries will be packed up and taken back to the 4-H office in Tooele where they will be available for pick-up after 12 pm on August 6th. All items NOT picked up by August 25th will be discarded and premiums forfeited unless prior arrangements have been made.
- The following judging and award guidelines will be used:
 - All entries will be judged.
 - Entries deemed to be of superior quality will be recognized as such and receive a State Fair Honor Award Rosette.
 - More than one entry per class may receive the State Fair Honor Award, but not more than 10% of the total entries in the department.
 - Each 4-H member with entries in the fair will receive at least one (1) gate admission pass.
